Full-time Apprentices/External Students

Carpentry and Electrotechnology

Students must be Full-time apprentices (*signed up to an approved apprenticeship*) or have approval to enrol as an external student.

TechWest Sydney will receive funding in 2017 under a Smart and Skilled contract for delivering training in Certificate III in Carpentry and in Electrotechnology (Electrician). For students who are full-time apprentices the fees will be assessed based on a student's progress through the qualification and invoiced through TechWest Sydney. Students who do not have a full-time apprenticeship will be charged the full cost of the qualification. Further information can be obtained from the College or email rto@tradesnorwest.nsw.edu.au.

Payment of Fees and Charges

The Parents are to pay all Fees and Charges in advance, at the end of the first week of each term, except Fees and Charges on amended accounts and accounts raised for mid-term enrolments, which the Parents are to pay within seven days from the date of the invoice.

There are several options available for payment of Fees and Charges. These include:

1. Full payment by cheque at the commencement of each term;
2. Bpay® (including debit or credit card link to bank account);
3. Online – Log into the Parent Portal (<https://edumate.tradesnorwest.nsw.edu.au>) and access Payment options by Direct Debit or Credit Card. VISA, MASTERCARD OR AMERICAN EXPRESS (A 1% surcharge applies to credit card transactions).
4. The entire year's School Fees and Service Charges at the commencement of the year.

If the Parents fail to pay an account for Fees and Charges within 21 days of the due date they will be liable to pay an overdue charge which reflects the administrative and financial cost to the Corporation in collecting the outstanding Fees and Charges. The Parents may enquire as to the current amount of the overdue charge at the Group Office of the Corporation.

If an account for Fees and Charges is not paid in full within 60 days from its due date, the Student's enrolment may be suspended and the Principal may without further notice refuse entry to the Student and/or terminate the Student's enrolment.

Withdrawal of a Student

The Parents are to give at least one full term's notice in writing to the Principal before terminating the Student's enrolment. If the Parents do not give sufficient notice of termination of the Student's enrolment, they are to pay to the School one term's school fees, plus GST as applicable. The Parents agree that this amount is a genuine estimate by the School of the loss that it would suffer as a consequence of insufficient notice of termination of the Student's enrolment.
